

ANNUAL DONOR REPORT 2004

Dear Friends of HFA,

We are pleased to introduce to you the first annual Hillside Family of Agencies Donor Report, and to have this opportunity to express our sincere appreciation to the individuals, groups, corporations, and foundations listed herein who have supported us in many ways throughout the past year. ☺ Hillside Family of Agencies (HFA) is truly fortunate to have generous donors such as you who are committed to helping our youngsters and supporting our mission. Over the past year your generosity has enabled us to better serve children and families throughout Hillside Family of Agencies and enhance a variety of programs within the community. ☺ Children and families who come to us for help enter through the many different doors of Hillside Family of Agencies' service affiliates: Crestwood Children's Center, Hillside Children's Center, and Hillside Work-Scholarship Connection. Our vision is the same for all: to be committed to a transformation in services for children through enduring partnerships with one another, with families, and with communities. ☺ Your support over the past year through appeals and events enabled us to provide quality day treatment education programs that help students overcome barriers to academic learning at locations such as the Charlotte Wellness Center, Hillside's Monroe Avenue Campus School, Halpern Education Center, and the education centers at Crestwood Children's Center. Your generosity also supported programs like Hillside's Work-Scholarship Connection that seek to help youth stay in school, increase high school graduation rates, and prepare participants for post-secondary education and employment opportunities. ☺ In addition, your contributed dollars helped support programs working with runaway, homeless, and in-transition youth through our Alternatives for Independent Youth Program (AIY), Wilmer Street Transitional Living Program in Rochester, and the Emergency Shelter program in Tompkins County. Your support also enables us to better assess and care for the physical health of our children through the Horton Family Center at our Monroe Avenue Campus. ☺ Through grants and targeted giving, we were able to move forward with our plans to renovate residential facilities on our Monroe Avenue Campus and renovate the Early Childhood Center at Crestwood Children's Center on Scottsville Road. A new playground and purchases of new recreation equipment at Crestwood have also improved our ability to use therapeutic play and recreation to help address special needs of the children. ☺ We often ask ourselves what would become of the children and families in our community if HFA's resources weren't readily available to offer real help to guide them through difficult times in their lives. This thought reinforces our strong belief that because HFA is capable of delivering this much-needed help, it is our obligation and duty to do everything possible as an organization to move forward to make a lasting difference. ☺ Thank you for all you do for Hillside Family of Agencies, and for continuing to believe in our children and families. **Together we will build a better future.**

Sincerely,

Dennis M. Richardson
President & CEO
Hillside Family of Agencies

A. Thomas Hildebrandt
President
Crestwood & Hillside Children's Foundations

Lists reflect gifts made to Hillside Family of Agencies between July 1, 2003 and June 30, 2004.

** indicates the donor is deceased*
