

Wendy's Wonderful Kids- Child Focused Recruitment

Hillside Children's Center

Wendy's Wonderful Kids is the signature program of the Dave Thomas Foundation for Adoption.

The Dave Thomas Foundation for Adoption is driven by a single goal: finding loving, adoptive homes for the children who have been in foster care the longest. It is North America's only national nonprofit charity dedicated solely to finding permanent homes for the more than 130,000 children in foster care.

Hillside's Wendy's Wonderful Kids Recruiters are able to receive referrals on children in New York State who would benefit from having additional help in finding them a forever home. The WWK recruiters use a child-focused recruitment model that includes: initial referral, relationship building with youth, case record review, assessment of adoption readiness, adoption preparation, network building, diligent search and recruitment plan.

Over the last 25 years of the WWK program there have been more than 7000 youth adopted.

"Unadoptable" is unacceptable.
